Date	May 29, 2015

To whom it may concern

Certificate of Compliance for China (CCC) for SIMATIC PLC, HMI and IPC

To whom it may concern,

herewith we as Siemens DF FA confirm that the products of the following families do not need a CCC certificate (These products are out of scope of CCC Catalogue Description and Determination Table, which was officially released by the responsible authority in China):

- LOGO!
- SIMATIC S7-200
- SIMATIC S7-1200
- SIMATIC S7-300
- SIMATIC S7-400
- SIMATIC S7-1500
- SIMATIC ET 200
- SIMATIC HMI
- SIMATIC IPC Rack/Box/Panel

For the SIMATIC Field PG incl. AC adaptor and the AC Adapter for our Mobile HMI Panel, a CCC certificate for the import to China is necessary which can be downloaded from our Service&Support web pages.

Please note that for some products out of the product families SIMATIC HMI, Panel PC, Flat Panel, CP/CM modules of SIMATIC S7 and connectors it might be necessary - dependent on China Entry-Exit Inspection and Quarantine Bureaus (CIQs) - to provide a so called "CCC waiver" which has to be applied by the individual importer (a CCC waiver is an individual agreement between the importer and China CIQs that the referred products do not need a CCC certificate).

Siemens AG
Digital Factory Division; Management: Anton Sebastian Huber
Factory Automation; Management: Ralf-Michael Franke

Oestliche Rheinbrueckenstr. 50 Tel.: +49 (721) 595 0
