UL Listed-Prüfzeichen

Das UL Listed-Prüfzeichen ist eines der am häufigsten anzutreffenden UL Prüfzeichen. Wenn ein Produkt dieses Prüfzeichen trägt, bedeutet dies, dass repräsentative Muster des Produkts von UL getestet wurden und die Sicherheitsanforderungen von UL erfüllen.

The UL Listing Mark is one of the most common UL marks. If a product carries this mark, it means UL found that representative product samples met UL's safety requirements.

UL File Number (ex. E12345):

The **UL File Number** is an alphanumeric designation assigned to a company upon successful completion of a product evaluation or company certification.

The UL File Number field is also used to search for:

- Design Number
- System Number
- Construction Number
- Assembly Number

With the introduction of the [Enhanced UL Certification Mark](#) in May 2013, the UL File Number is often being used as the unique identifier for Certified products and can be entered in the File Number search field to obtain additional certification information.
