

SPECIALS

Galactic Line

KITS FOR THE CONNECTION, MAINTENANCE AND PROTECTION OF ELECTRICAL SYSTEMS

Galactic Mammut Security
Straight joint pre-filled with gel

Galactic Protection
Bicomponent rubber for printed circuit protection against animal intrusion

Galactic Animal Barrier
Mouldable rubber paste to prevent animal intrusion

Galactic Water Stop
Ready to use single component gel for generic use

Rubber Line

Ray RTV
Fast cross linking bicomponent silicone rubber

Gasket Kit
Kit for the packaging of rubber profiles

Galactic Nano Joint
Straight and derived single pole joint complete with pre-filled gel snap connector

Galactic Separator
Spacer and connector kit

Galactic Cleaner Professional
Extraordinary detergent for all types of use

Indispensable

Shiny Solar
Solution for solar and photovoltaic panel maintenance

Clamps

Clamp accessories

Galactic Protection

Bicomponent rubber for printed circuit protection including against animal intrusion.

Protection for printed circuits which are especially exposed to dust, animal intrusion (insects, snails, snakes, etc., e.g. in automatic gate trays). Opaque but slightly translucent allows cover forming a protective film. It can be removed (adheres without sticking) even on a small area to access the underlying component. The replaced component is then covered with new filler material which adheres perfectly to the previous material. Composed of bicomponent rubber with no shelf life and insulating and resistant to UV rays and ageing.

Product	Description	Rubber colour	Total quantity (ml)
Galactic Protection	bicomponent rubber	●	300

Installation sequence

Kit composition:

2 vials bicomponent product
