TERMINAL BLOCK T85

6mm² WHITE

Product Approvals

TECHDATA		STANDARDS AND LAWS	
Commercial series	CONNECTO Series	CEI EN 60998-1 (1993)	[Italian Standard] Connecting devices for low-voltage circuits for household and similar purposes Part 1: General requirements
Type of product	TERMINAL BLOCK T85		
Synthetical description	TERMINAL BLOCK T85	CEI EN 60998-2-1 (1993)	[Italian Standard] Connecting devices for low voltage circuits for household and similar purposes
Connecting capacity	6mm ²		Connecting devices for low voltage circuits for household and similar purposes Part 2-1: Particular requirements for connecting devices as separate entities
Rated voltage	450V		
Dimensions	120x16,6x17,4mm	DIRECTIVE LOW VOLTAGE 2014/35 /UE	[European Directives] Low Voltage Directive
Pitch	10mm		
Ø fixing hole	3,5mm	DIRECTIVE RoHS 2011/65/EU	[European Law] Restriction of the use of certain hazardous substances in electrical and electronic equipment
Colour	WHITE
